

REDEEMER PRESBYTERIAN CHURCH SMALL GROUPS APRIL 2017

Redeemer has a number of small and large groups that meet throughout the week for you to attend. These groups give you an opportunity to get connected to other people who call Redeemer “home.” They are also places for you to experience the deep fellowship the Bible assumes we will have with other members of the local church. In the future, these groups will be the front line of ministry and mission here in Austin and beyond. Our goal is to have every person at Redeemer connected to one of these groups. *Join one today!*
