

Sunday Evening at Redeemer 2022-2023

Join us on Sunday nights for an in-depth study of the important and controversial issues of human sexuality. We'll make our way through the twelve statements of the recent PCA study committee report on human sexuality. Then, we'll consider the story and counsel of Christopher Yuan, a Christian who experiences same-sex attraction. Together, we hope to provide a biblical foundation to our understanding of sexuality as well as a wise and compassionate approach to our family and friends who may think differently than us. Weather permitting, the class will meet in the courtyard near the playground. Feel free to bring drinks and snacks to share.

You can read the PCA report here: <https://pcaga.org/aicreport/>
You can purchase Christopher Yuan's book on Amazon.
