

WEST AFRICA

FAMILY VIRTUAL MISSION TRIP

MAY 26-29

How?

We will be joining missionaries on the field in West Africa via a Zoom video call! Each day, the long term missionary team will show us where they live and work, and will tell us about what their life looks like on a day-to-day basis. This will be a great learning experience for those interested in missions, and will allow us to see on our video call what these missionaries do. We will talk with the missionaries for the first 45 minutes of our call, then we will debrief, have a devotional, and pray for the last 45 minutes of the call.

Who?

We would love any families in your church to join us on our video call. Kids of any age are welcome!

When?

This virtual trip will take place May 26-29, at 10am CST every morning.

Who will lead the team?

Martha Bateman, the Southwest Hub Youth Missions Mobilizer.

What do I need to do?

These calls are free. We will be using a software called Zoom for our video calls. This can be downloaded onto your computer from their website for free (zoom.us).

Contact Martha.Bateman@mtw.org to sign your family up!
